Hello Connected Care Partners:

We wish to update you on the following updated processes at our agency.

- **Updated Referral Process:**

- We are now accepting electronic referrals which can be completed directly from our website (<https://lihmt.com/referral/>). Here you can complete the referral form and attach supportive documents, such as the service plan. All information collected using the electronic referral is stored within IntakeQ, a HIPAA compliant, web-based client management program that is used by all members of our team.
- If desired, you can submit a referral and supportive documents via email (hello@lihmt.com) or fax (414-377-3353). If you have an in-house referral form, we welcome you to continue using that document or you can download a PDF copy of our referral form from our website.
- If you need further assistance submitting a referral, please contact us via phone (608-799-4860) and we can take a verbal referral.

- **Updated Contact Information:**

- Our most current staff directory can be found on our website under the "Contact Us" area of our website. [Click here for our current staff directory.](#)
- Please also note that we no longer have an office assistant; a member from our team will connect with you regarding your referral or any needs you may have.

Thank you,

Life in Harmony Music Therapy LLC

PASSION and PURPOSE in every beat 🎵❤️
